TO:            ATTORNEYS PRACTICING IN THE 58<sup>TH</sup> DISTRICT COURT  
RE:            HEARING PRACTICE

Summer must have arrived early in Beaumont, Texas. We have had a large number of hearings that have been scheduled, then resolved or passed by the parties, which is great. However, in many of these instances, the parties fail to notify the Court that the need for a hearing no longer exists. In the future, please contact the Court as soon as it is known that a hearing is no longer needed so that the Court may use its time more efficiently.

Thank you for your attention to this matter.

Sincerely,

Bob Wortham
